Players, Parents and Volunteers

Hello Everyone

As I indicated in my previous correspondence, I will provide a follow-up and update on previous and upcoming City of Vaughan Hockey Association events.

The City of Vaughan Hockey Association and Toronto Marlies hosted a very successful & fun filled Community Festival earlier this month. Thank you to those who attended and participated in the on-ice activities, it was an enjoyable evening!!

As a follow up from this Community Festival, the Toronto Marlies have offered the City of Vaughan Hockey Association the opportunity to purchase tickets for a game at the Ricoh Coliseum. The game between the Toronto Marlies & the Syracuse Crunch will take place on **Wednesday November 29th, 2017**, for which the evening will be dedicated to the **City of Vaughan Hockey Association**. Start time of the game is 7:00pm. Tickets are being sold through your team Head Coach or Manager at a price of \$16.00/ticket and teams will be seated together. The ticket pricing is below regular admission price, as we are not using this event as a fundraising event, rather an opportunity to have as many people as possible attend from our "**Vaughan**" community program.

Part of the "Vaughan Hockey Night at the Ricoh" will be an open skate on the Ricoh Coliseum Ice from 4:00pm - 5:00 pm for those who have purchased game tickets. As well, we will be drawing from all teams that have purchased tickets, for an opportunity to skate on ice at the pre-game opening ceremony (5 teams in total) and we will select a team to watch the game from a suite (box), which can accommodate 18 players/coaches.

We are seeking all teams to come and take advantage of this great opportunity for team building, Partnership with the Toronto Marlies and to see our Toronto Maple Leafs Future Stars. Tickets will be made available through your coach; place your order today and don't miss out.

The CVHA strives to make this season an enjoyable and memorable hockey experience for all.

Yours in hockey,

Barry Harte
